Signed _____ Date _____
Applicant

Norristown Municipal Waste Authority
25 E. Marshall Street
Norristown, PA 19401

Phone: 610.270.3190
Fax: 610.270.3192
Email: collections@norristownsewer.org

Procedure:

1. An escrow account will be required before any work is commenced by the Authority to cover the legal, engineering and administrative costs of NMWA. The escrow account is not related to any tapping fees yet to be determined prior to approval of the connection of the project to the Authority's sewer system. The escrow account will be determined by the Authority Engineer using the number of Equivalent Dwelling Units (EDUs) associated with the project and the table below as a guideline.

2. The Authority reserves the right to modify the escrow account payment from the table below depending on the specific requirements related to the project. No additional escrow amount will be required unless there is a change in the scope or applicant of the project or if a Developer Agreement is necessary. The definition of an Equivalent Dwelling Unit is set forth in Article III, Section 4 of the Authority's Rules and Regulations (a link to those Rules and Regulations can be found on the Authority's website at Norristownsewer.org).

Modification to existing facility	$2,000
Under 5 EDUs	$2,000
5 to 20 EDUs	$3,500
Over 20 EDUs	To Be Determined

3. Upon receipt of this Application, the Authority's Consulting Engineer will communicate with the individual or firm listed in the Contact section of the Application and will specify the amount of the escrow to be provided and any additional documentation needed to initiate the review. The required escrow amount should be sent by check to the Authority at the address shown below. **Note: The Authority's Consulting Engineer will not initiate any review until the escrow amount has been paid in full.**

4. Any questions concerning the completion of the Application can be addressed to the Authority's Consulting Engineer as follows:

Remington & Vernick
555 Croton Road, Suite 401
King of Prussia, PA 19406
